

A vision to the future, premium craftsmanship meets advanced biomechanics in TRUE's Palladium Series. Advanced functionality, comfortable touchpoints, and precise ergonomics are all packaged in a modern design. Set your facility apart and provide users with an intuitive strength-training experience with the Palladium Series.

ROTARY TORSO SPL-1500

FEATURES

- 8 position seat adjustable while seated or standing uses premium grade linear bearings and gas cylinder assist for stable, low friction adjustments
- Bottom pivot design allows lower body to rotate around trunk while upper body remains fixed
- Seated position places hips in flexion for maximum torso stability and spinal alignment during exercise
- Easily accessible 12 position cam allows users to choose range of motion best suited to their individual needs
- Ergonomically designed handles provide support and encourage proper alignment during exercise
