

400 ELLIPTICAL

The C400 Elliptical uses a small and compact footprint allowing you to place this elliptical machine in tight spaces where a traditional front or rear-drive elliptical might not work. Plus, your users will love the unique Cardio 360™ programming that acts like their own personal trainer in the machine, walking them through a 20-minute, total-body workout that no other elliptical on the market can deliver.

CARDIO 360™
a guided workout to engage the upper, core, and lower body with varying resistance.
