

PALISADE CLIMBER

Offering a premier double-braking system, best-in-class serviceability and versatile ease-of-use, TRUE's Palisade Climber has been crafted to be rich in experience and easy to service. An exceptional solution for your club.

DOUBLE-BRAKING SYSTEM

One brake keeps the product from over speeding, the other brake locks down the steps when the machine is not in use.

PHOTO-INTERRUPT SAFETY SENSOR

locks the mechanical brake if any unsuspecting item breaks the plane of the sensor.

FEATURES

- More square inches per step than similar products in the industry
- Step-up assistance (rear steps, integrated side pegs, dipping handrail)
- Double-Braking System
