

# ENVISION II

## 16" Touchscreen Console

A 16" high-definition touchscreen with workout programs, outside interactive videos, and integrated technology and entertainment options. Adjustable volume and channel controls, single-port HDMI for mirroring, and Bluetooth connectivity for audio. Features Apple GymKit technology so users can connect their Apple Watch and keep all their metrics in sync.

### FEATURES

#### + CONNECTS TO APPLE WATCH

Users can connect their Apple Watch and keep all their metrics in sync.

#### + MIRRORING

Users have the option to mirror content from their personal devices directly onto the console for a premium level of personal entertainment and viewing.

#### + BUILT-IN WORKOUT PROGRAMS

Exercisers can choose from a variety of programs to meet their fitness and training goals. Quick access buttons allow users to easily change speed and incline, allowing quick and easy interval changes for HIIT workouts.

#### + ENTERTAINMENT

Users have easy access to web content, social media, and entertainment destinations.

#### + BLUETOOTH COMPATIBLE

Syncs with Bluetooth® headphones and heart rate monitors. Polar® device compatible.

#### + APP CONNECTIVITY

Compatible with Apple® and Android™ devices. Workout data can be pushed to exercisers' favorite fitness apps via GymTrackr.

#### + EXPLORE THE WORLD

Outside Interactive® courses allow exercisers to travel the world to famous locations and race courses. In addition, connecting to the Zwift® app allows exercisers to combine social running with videos of running routes.

#### + ASSET TRACKING

Real-time asset management with usage reporting and notifications through ECOFIT®

#### + CUSTOMIZATION

Customize the homescreen to promote your brand and deliver messages to exercisers, promote events and classes and build your facility brand.
